

Cold Storage at APMC Mahuva for Onion & its value added products, Dist. Bhavnagar.

GAIC proposed to APEDA to set up cold storage for Onion and its value added products at APMC Mahuva to develop cluster for onion and its value added products in Mahuva, Dist Bhavnagar.

The Project is implemented in two phases.

Phase – I - Dehydrated Onion Cold Storage

Phase – II - Fresh Onion Cold Storage.

Phase-II – Fresh Onion Cold Storage will implement after the successful implementation of Phase-I –Dehydration Onion Cold Storage

The project is implemented under the financial Assistance by APEDA, New Delhi for Dehydrated Onion Cold Storage.
